DIVISION OF
OIL, GAS & MINING

Dear Mr. Daniels:

Mr. Jim Beck of Anaconda's Mining Engineering Department has advised me that additional evaluation drilling will be conducted on the North Lily property during the week of November 3-7. All of the drilling will be on patented ground.

You had expressed a desire to be notified of our drilling activity at North Lily, so I am passing this on to you.

Cordially yours,

Dale F. Kittel
Permits Coordinator
